Re: MUR 5970

Dear Ms. DeJarnett-Miller:

My name is Barbara McIntosh and I am in-house counsel for the League of Conservation Voters ("LCV"). I will be attorney of record for LCV up and until we retain the assistance of an outside lead counsel for the MUR referred to above, upon which you will be so notified.

On February 11, LCV received your notice (dated February 5) that a complaint was filed resulting in MUR 5970, in which LCV was named. According to the letter, LCV is required to respond to this notice by tomorrow, February 20.

Please accept this letter as a request for an additional thirty days in which to respond to this notice. I am the designated person at LCV to handle such matters. With the support of no legal staff, several other unexpected and large assignments that are either due concurrently or are fully underway, and the added workload that already accompanies election years, an additional thirty days will allow me to more properly review, investigate and respond to the allegations in the complaint.

While any extension will be appreciated, we respectfully request the new due date become March 20. Please call me at 202 454 4577 if you have any questions.

Sincerely,

Barbara G. McIntosh  
General Counsel
